

# HOST THE ANNUAL BUSINESS MEETING & THE INTERNATIONAL RECOVERY CONVENTION

Consider asking your Intergroup to host the Annual Business Meeting and International Recovery Convention in service to the S.L.A.A. Fellowship.

Hosting an international event is a large commitment with many responsibilities, rewards, and opportunities for growth. Benefits of hosting include:

- Opportunities for service in all aspects of planning and executing the events
- Sharing Service, Fellowship, and Recovery with U.S. and International attendees
- Carrying the message to the addict who still suffers
- New recovery-based energy within your meetings and Intergroup

To apply to host, complete the application, available at the following link:

F.W.S. and the BOT are deeply grateful for all Intergroup applications to host these events.
