Subject: **2017 SLAA Annual Business Meeting and Conference Agenda Second Version Distribution**

Second Version:

This is the Second Version of the 2017 Agenda, contains all of the items on the 2016 Agenda that were not fully acted upon by the Conference at the 2016 ABM (August 02 – 05, 2016). This Agenda also contains all IFDs (Items For Discussion) from the 2016 ABM that the original submitter wished to convert to a Motion to be acted upon at the 2017 ABM/C. Tabled and un-acted upon Items as well as IFDs from the 2016 Agenda that were converted to Motions all retain the same place on the 2017 Agenda as the Item/s held on the 2016 Agenda.

This Second Version is being distributed to the Fellowship worldwide for discussion and comments. Any comments from Conference Committees, the BOT, Intergroups and Lone Groups will be included on the final and Fourth Agenda provided comments are received no later than June 1, 2017.

These comments provide the ABM Delegates and other Conference members additional information in order to better consider Items to be acted upon.

2017 S.L.A.A. Annual Business Meeting,

July 25 – 28, 2017

Second Version – April 24, 2017

Explanation of Agenda Item numbers:

Examples:

17o01/16-05

In this example the current year's Agenda Item number is shown before the slash (/). The year is 2017 (17) then the o (old) designates an agenda item related to an agenda item from a previous year. The Item's order for this year's Agenda is next (01) or first in order. After the backslash (/) comes the old (o) Item's original year it was placed on the Agenda and the position on that year's Agenda. In this case the year the Item was first placed on the Agenda was 2016 (16) and the order on that year's Agenda was number 5 or fifth in order.

17n02/17-01

In this example the Item is new for this year's Agenda (n). The year is 2017 and the order for this Agenda will be second (02). After the backslash is the order the Item was submitted for consideration for this year's Agenda. In this example the Item was submitted first (01) in 2017 (17) and the designation is therefore 17-01, first item placed on the Agenda received in the current service year or 2017. This new item will be acted upon after all old (o) Items are acted upon. The previous year's Agenda items take precedence.

17o03/15-11

In this example the Item will appear on the 2017 Agenda (17) and is an old (o) Item and will be acted upon third (03). Though the Item is old (o) the submitter held back the item and it did not appear on the 2016 Agenda and was submitted for the 2017 Agenda. Therefore it appears in the order it was received in 2017 which was third. After the backslash one sees the Item originated in 2015 (15) and was item eleven (11) that year.

An earlier draft was presented as an Item for Discussion (IFD) at the 2015 ABM. Ideas and feedback from the 2015 ABM have been incorporated into this draft. Since the 2015 ABM, this draft literature has been further reviewed by members of the fellowship as a whole, by members of the Conference Anorexia Committee (CAC), and by members of the Conference Literature Committee (CLC). Comments and suggested edits have been incorporated into this final draft.</p> <p>The Anorexia Recovery Tools booklet offers recovery ideas and hope to anyone who identifies with anorexia - sexual, social, or emotional. The tools and suggestions are likely to be found relevant to anyone in recovery, and our hope is that many members of S.L.A.A. find the thoughtful awareness, suggestions and sensitivity encouraged within this booklet helpful.</p>	<i>New Item</i>	2017 ARS The Item was accepted onto the Agenda "as-is" by a vote of 3-0-0.

It provides suggestions and tools to facilitate and support our work of the Twelve Steps for anorexia recovery. It is suggested that you review the tools first, then reflect and discuss how best to apply them to Twelve Step work. FWS budgeting process and the resulting budget itself.</p> <p><u>ENTER THE INTENT OF ITEM:</u> The budgeting process needs substantial improvement. The Board of Trustees rarely if ever approves a final budget until well after the October 1 start of the fiscal year. This leaves the Staff and the BOT itself in the position of attempting to operate the office and FWS functions for a period of months without the benefit of having a budget against which to measure the level of sales and contributions and their spending decisions. This also leaves Conference Committees without the ability to fully plan and undertake activities that require funding during this period of months plus the extra time needed for the Conference Finance Committee to divvy up among the Conference Committees the total Conference Committee funding reflected in the final budget adopted by the BOT.</p> <p>The current budgeting process also prevents the Conference Committees from completely fulfilling their missions because the BOT usually chooses to allocate to Conference Committees much less than the Conference Committees themselves request. Should our organizational structure around a group change? And if so, how so? How can we leverage geography to better align our structure with our recovery communities? Can we improve the delivery of our message to the addict that still suffers with a better area-based organizational structure? Thus, to deepen our understanding of group structure and operational efficiency, what constitutes a group today and how does it provide organization context to the Fellowship? 17n12/17-04	<p><u>ENTER THE INTENT OF ITEM:</u></p> <p>The word “Lone” can carry a negative meaning to the sex and love addict, and the word may be confused with “Alone.” The organizational tradition of our meetings are based on two or more individuals coming together for mutual aid in recovering from sex and love addiction. Our community is formed by members that ultimately are represented by a group. Calling oneself a “Lone Group” may defeat our intended purpose.</p> <p>The intent of the IFD is not to be anti-Intergroup. 17n13/17-05	<p>Item For Discussion:</p> <p><u>ENTER WHAT THE ITEM IS:</u> Discuss the text of the “Meditation Book” (CLC reference ID# 018) to take the next step to move towards a motion to approve as Conference-approved Literature</p> <p><u>ENTER THE INTENT OF ITEM:</u> In 1996 the conference passed a motion to develop an S.L.A.A. book of daily meditations. Andrew K and Lisa C. have been collecting shares and editing the Meditation Book for three years. Andrew and Lisa edited and read through each entry. This is a co-project with the Journal. Many of the shares have been published in the Journal. We have been sending drafts to the CLC since 2013. We had a reading meeting during the IRC at the ABM last year. A member read the draft for the CLC review (answers posted on the Google form response sheet). We have had 6 reading meetings that were well attended. Any member of the Fellowship is invited to attend. There was a reading meeting held at the S.L.A.A. retreat in Malibu. Various meetings in Los Angeles are reading this draft. All feedback has been favorable.</p>	<i>New Item</i>	2017 ARS The Item was accepted onto the Agenda “as-is” by a vote of 3-0-0.

A requirement for this topic would be the need for time to be set aside at the ABC/M for a thorough discussion and the capture of feedback.</p> <p>If this is printed in binders at the ABM copies may be expensive if not e-format only. The CLC suggests only making the draft available on e-format, printing paper copies by request for delegates who cannot access it electronically.</p>

Should the 50th Anniversary Edition have newer more inclusive and updated stories, such as stories on Healthy Relationships and Dating, stories of Anorexia, Internet Pornography, Chat-Rooms, Social Media, Dating sites, Love Addiction, Women’s stories, and Diversity-focused stories? Should a forward with the History of S.L.A.A. be included? All typos could be corrected. Should chapters 1-8 be left alone, as is? How shall any new writing for the Basic Text be handled? 17n17/17-09	<p>Item For Discussion:</p> <p><u>ENTER WHAT THE ITEM IS:</u> To find out the Fellowship’s interest in having an S.L.A.A. App developed. Is there interest? What kinds of features would be a good fit for S.L.A.A. (e.g. Thought of the day, meeting finder, etc.)?</p> <p><u>ENTER THE INTENT OF ITEM:</u> At the 2016 ABM several times during the General Assemblies, Delegates mentioned creating an app for the Fellowship. It would be a great way to reach the addict who still suffers, develop more resources for the membership, and strengthen the recovery tools of individuals trying to stay sober one day at a time. The BOC is looking for input from the Conference about the interest the Fellowship has about having an App made for S.L.A.A. and what features should be included in it? Some ideas are: Thought of the Day, Meeting Finder, viewing a sample of free literature.</p> <p><u>ENTER THE REQUIREMENTS IF THE ITEM IS ACTED UPON:</u> As an IFD, there is no direct cost associated with this item.
