What started out to be a spur of the moment, impromptu way to raise some extra money for F.W.S., has turned into an annual event we call the S.L.A.A. Auction.

The S.L.A.A. Auction is the Wednesday night of the Annual Business Meeting (ABM) and the Conference members who attend the ABM supply items that are auctioned off. There is usually a silent and a live portion of the fund raiser.

In the spirit of unity and diversity we would like to request that each person attending the ABM, please bring with them an item for the auction. If possible, the item should be unique to the Intergroup or area of the world that you represent.

Please bring the item with you to the ABM Registration sign-in table. Let us know the name of your group and the significance of the donation. As legal requirements necessitate, we will also need to know the dollar value of the item you are donating.

This event has always been fun, exciting and profitable. All participants are allowed to bid on any item that they wish. There is, of course, no requirement to participate in the auction. Everyone is invited to attend and join the fun!

If you have any questions, let us know.

*thank you!*

for helping Fellowship-Wide Services!
