1980	1980		P	A book describing the S.L.A.A. history, Fellowship, and program of recovery and containing the personal stories of present members will be published by the fellowship: the book has been tentatively titled <i>Sex and Love Addicts Anonymous</i> . All rights and copyrights for this book will be owned by the Fellowship.
1984	1984		P	The manuscript of a proposed basic text for S.L.A.A. was approved and endorsed to finalize publication based on four fronts: 1) Copy editing of the manuscript would be undertaken to achieve greater evenness of style and readability and the content of the eight chapters would be frozen with no further textual changes 2) S.L.A.A. members would be encouraged to write their own personal stories of sex and love addiction and recovery for inclusion in the story section of the book 3) A "royalties committee" would be appointed to determine amounts and forms of payment due to writers and editors of the book. This committee would be appointed by the Board of Trustees and would function independently of the Board 4) Fundraising efforts, in accordance with longstanding Fellowship-conscience agreements dating from October 1981, would be undertaken. Grant proposals would be written and filed to raise money to enable S.L.A.A. to publish its own book.
1990	1990		P	F.W. S. to undertake translations of the Basic Text into languages other than English, providing funds for professional translation, as needed, outside the Fellowship, subject to the financial approval of specific projects by the board of Trustees.

1997	2000	97-1	P	To change the cover of the S.L.A.A. Basic Text so that it is non-descript and supports anonymity.
1997	2000	97-14	F	To include in the Basic Text no less than (25%) 1 in 4 stories about love addiction and anorexia when next revised.
1997	2000	97-18	F	Edit the page layout to remove the page/chapter headers for any future editions of the S.L.A.A. Basic Text.

2002	2004	02-02	W	Have two versions of the <i>Basic Text</i> . One anonymous – one not. 				<p>2. For our group purpose, there is but one ultimate authority - a loving God as this Power may be expressed through our group conscience. Our leaders are but trusted servants; they do not govern.</p> <p>3. The only requirement for SLAA membership is a desire to stop living out a pattern of sex and love addiction. Any two or more persons gathered together for mutual aid in recovering from sex and love addiction may call themselves an SLAA group, provided that as a group they have no other affiliation.</p> <p>4. Each group should be autonomous except in matters affecting other groups or SLAA as a whole.</p> <p>5. Each group has but one primary purpose - to carry its message to the sex and love addict who still suffers.</p> <p>6. An SLAA group or SLAA as a whole ought never endorse, finance, or lend the SLAA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.</p> <p>7. Every SLAA group ought to be fully self-supporting, declining outside contributions.</p> <p>8. SLAA should remain forever nonprofessional, but our service centers may employ special workers.</p> <p>9. SLAA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.</p> <p>10. SLAA has no opinion on outside issues; hence the SLAA name ought never be drawn into public controversy.</p> <p>11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, TV, film, and other public media. We need guard with special care the anonymity of all fellow SLAA members.</p> <p>12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.</p>

Ultimate responsibility and authority for S.L.A.A. world services always reside in the collective conscience of our whole Fellowship.</li> <li>2. The Annual Business Conference, by delegation, is the voice and conscience for our world services and of S.L.A.A. as a whole.</li> </ol>

				<p>3. To insure effective leadership, each element of S.L.A.A. - the Conference, the Board of Trustees, staff, and committees - all possess the "Right of Decision."</p> <p>4. The "Right of Participation" is maintained by allowing members the opportunity to cast one vote up to the level at which they are trusted servants.</p> <p>5. The "Right of Appeal" prevails so that minority opinion is heard and personal grievances receive careful consideration.</p> <p>6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the Board of Trustees.</p> <p>7. The Articles of Incorporation and the By-Laws of the Fellowship are legal instruments, empowering the trustees to manage and conduct world service affairs. Although the Conference Charter is a legal document; it also relies on tradition and the power of the S.L.A.A. purse for final effectiveness.</p> <p>8. The trustees are the principle planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, including their ability to hire staff.</p> <p>9. Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The primary world service leadership must be assumed by the Board of Trustees.</p> <p>10. Every service responsibility is matched by equal service authority – the scope of this authority is always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and by-laws.</p> <p>12. Composition, qualifications, induction procedures, systems of rotation, and rights and duties are always matters of serious concern.</p> <p>13. The Conference observes the spirit of S.L.A.A. Tradition,</p> <ul style="list-style-type: none"> <li>a. taking care that it never becomes the seat of perilous wealth or power;</li> <li>b. that sufficient operating funds and reserve be its prudent financial principle;</li> <li>c. that it place none of its members in a position of unqualified authority over others;</li> <li>d. that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity;</li> <li>e. that its actions never be personally punitive nor an incitement to public controversy;</li> <li>f. that it never perform acts of government, and that, like the Fellowship it serves, it will always remain democratic in thought and action.</li> </ul>

### INTERFELLOWSHIP COMMITTEE

1995	1997	95-19	P	To amend the motion to discourage the use of non-Conference approved literature.
1997	1999	97-3	A	Copies of meeting lists supplied to the F.W.S. office for distribution shall be furnished to individuals, groups, Intergroups, treatment centers dedicated to the treatment of sexual addiction and physicians, as well as international offices of other "S" groups.
1997	1999	97-3 A	P	Copies of meeting lists supplied to the F.W.S. Office for distribution shall be furnished to individuals, groups, Intergroups, treatment centers dedicated to the treatment of sexual addiction and physicians, as well as international offices of other "S" groups. It needs to be made clear to groups submitting meeting lists that they (the lists) will be distributed in this manner.
1997	1999	97-11	A	The following list of six items submitted as one motion: 1) We suggest individual boards give out URL/Links on their web sites for other Fellowships agreeing to do this. That is, the Interfellowship Forum agrees in principle that links to other sexual recovery sites is a desirable thing, but we recognize that whether "to link or be linked" is up to the individual Fellowship service board; 2) We encourage each "S" Fellowship service board provide to all other "S" Fellowship boards any or all of the following: a) International Meeting Directory; b) Regional Contact Phone Numbers; c) Central Office Phone Numbers; d) 800 Numbers, along with any restrictions on the use of this information. This is in the spirit of the 5th Tradition goal of getting information to the still suffering addict; 3) We suggest each Fellowship exchange directories of meeting information to each other's central offices with an agreement that when contacted, we acknowledge the presence of a particular Fellowship in a particular location along with phone number of how to get more details; 4) We recommend that each Fellowship be encouraged to provide a brief statement to be used by other Fellowships in referral and information work. This statement should describe their Fellowship including their distinctive attributes; 5) We propose we continue the Interfellowship Forum (IF) annually, hosted in turn by each "S" Fellowship year to year; 6) We recommend each "S" Fellowship provide a self-descriptive statement of the literature/merchandise they sell to the other "S" Fellowships who, at their discretion may distribute this information to their members along with contact information.
1998	1999	97-11 A	P	To divide the above motion into six separate motions.

1997	1999	97-11 #3	P	3) When asked for meeting information, FWS shall provide SLAA information only, unless the requestor specifically asks for other "S" fellowship information or there is no SLAA presence in the area, in which case other "S" fellowship contact information will be given.
1997	1999	97-11 #4	P	4) Provide the following statement to other "S" fellowships to be used in referral and information work: "Sex and Love Addicts Anonymous is a Twelve Step, Twelve Tradition-oriented fellowship based on the model pioneered by Alcoholics Anonymous. One of the resources we draw on is our willingness to stop acting out in our own personal bottom line addictive behavior on a daily basis. In addition, members reach out to others in the fellowship, practice the Twelve Steps and Twelve Traditions, and seek a relationship with a Higher Power to counter the destructive consequences of one or more addictive behaviors social and emotional anorexia. We find a common denominator in our obsessive/compulsive patterns which renders any personal differences of sexual or gender orientation irrelevant.
1997	2001	97-11 #5	P	5) SLAA shall continue to be involved in the Interfellowship Forum.
1997	1999	97-11 #6	P	6) Provide to the other "S" fellowships a self-descriptive statement of the SLAA literature/merchandise available through FWS.

2000	2003	00-02	A	Permit invited observers from other "S" fellowships to voice opinions/make public statements on any proceeding at SLAA's 2000 ABM. Invited observers from other "S" fellowships are not authorized to vote on any motions at the Committee or General Assembly levels.
2000	2003	00-02 A	W	Replace all wording of Motion in Item 03o05/00-01 with the following text: Issue for Discussion, Recommendation Required: ABM observers are typically permitted to speak in General Assembly but not to vote. 1997	1999	97-11	A	The following list of six items submitted as one motion: 1) We suggest individual boards give out URL/Links on their web sites for other Fellowships agreeing to do this. That is, the Interfellowship Forum agrees in principle that links to other sexual recovery sites is a desirable thing, but we recognize that whether "to link or be linked" is up to the individual Fellowship service board; 2) We encourage each "S" Fellowship service board provide to all other "S" Fellowship boards any or all of the following: a) International Meeting Directory; b) Regional Contact Phone Numbers; c) Central Office Phone Numbers; d) 800 numbers, along with any restrictions on the use of this information. This is in the spirit of the 5th Tradition goal of getting information to the still suffering addict; 3) We suggest each Fellowship exchange directories of meeting information to each other's central offices with an agreement that when contacted, we acknowledge the presence of a particular Fellowship in a particular location along with phone number of how to get more details; 4) We recommend that each Fellowship be encouraged to provide a brief statement to be used by other Fellowships in referral and information work. This statement should describe their Fellowship including their distinctive attributes; 5) We propose we continue the Interfellowship Forum (IF) annually, hosted in turn by each "S" Fellowship year to year; 6) We recommend each "S" Fellowship provide a self-descriptive

1998	1999	97-11 A	P	To divide the above motion into six separate motions.
1997	1999	97-11 #1	P	1) We adopt a URL link on our website to other "S" fellowships.
1997	1999	97-11 #2	P	2) Provide World-Wide Directory of meetings and FWS contact information to all other "S" fellowships after the 1999 ABM, and Directory or FWS contact information is updated.
1997	1999	97-11 #3	P	3) When asked for meeting information, FWS shall provide SLAA information only, unless the requestor specifically asks for other "S" fellowship information or there is no SLAA presence in the area, in which case other "S" fellowship contact information will be given.
1997	1999	97-11 #4	P	4) Provide the following statement to other "S" fellowships to be used in referral and information work: "Sex and Love Addicts Anonymous is a Twelve Step, Twelve Tradition-oriented fellowship based on the model pioneered by Alcoholics Anonymous. One of the resources we draw on is our willingness to stop acting out in our own personal bottom line addictive behavior on a daily basis. In addition, members reach out to others in the fellowship, practice the Twelve Steps and Twelve Traditions, and seek a relationship with a Higher Power to counter the destructive consequences of one or more addictive behaviors social and emotional anorexia. We find a common denominator in our obsessive/compulsive patterns which renders any personal differences of sexual or gender orientation irrelevant.
1997	2001	97-11 #5	P	5) SLAA shall continue to be involved in the Interfellowship Forum.
1997	1999	97-11 #6	P	6) Provide to the other "S" fellowships a self-descriptive statement of the SLAA literature/merchandise available through FWS.
1997	1998	97-12	P	The FWS Newsletter shall become a real link between SLAA groups, service boards, committees and service centers on all levels fellowship wide. Therefore additionally to the current contents it shall contain information and news about events and activities on all levels, for instance: -the announced but not yet born Intergroup Newsletter (what happens in the Intergroups?)--no separate newsletter! -a summary of the important items of the ABC -a summary of the financial report for the ABC -reports of the services about the activities throughout the year -information about the Conference activities throughout the year (CCC, e.g., the votes on the welcome pamphlet and the length of the ABC.

Newsletter, <i>the Journal</i> , etc. Note: this statement will include an address to which these submissions can be mailed.
2003	2004	03-01	W	To broaden the scope of acceptance, on the redesign of medallions for 12 steps, rather than imprint S.L.A.A. on the obverse, print "Augustine Fellowship".
2003	2004	03-03	F	That the S.L.A.A. All media offers to be forwarded to the Board for discussion and action by the Trustee group, and that if, due to time constraints, such offers could not be processed at the Trustee level, S.L.A.A. would not buckle to time pressure and all such offers would be declined.

1997	1999	97-3 A	P	Copies of meeting lists supplied to the F.W.S. Office for distribution shall be furnished to individuals, groups, Intergroups, treatment centers dedicated to the treatment of sexual addiction and physicians, as well as international offices of other "S" groups. It needs to be made clear to groups submitting meeting lists that they (the lists) will be distributed in this manner.
1997	1999	97-10	P	To create two different cards that can be sold or given away at cost to S.L.A.A. members or groups that can be used to indicate donations to the Augustine Fellowship marking milestone events in a member's or group's life, e.g. sobriety, recovery, birthday, anniversary, death.
1997	1999	97-11	A	The following list of six items submitted as one motion: 1) We suggest individual boards give out URL/Links on their web sites for other Fellowships agreeing to do this. That is, the Interfellowship Forum agrees in principle that links to other sexual recovery sites is a desirable thing, but we recognize that whether "to link or be linked" is up to the individual Fellowship service board; 2) We encourage each "S" Fellowship service board provide to all other "S" Fellowship boards any or all of the following: a) International Meeting Directory; b) Regional Contact Phone Numbers; c) Central Office Phone Numbers; d) 800 numbers, along with any restrictions on the use of this information. This is in the spirit of the 5th Tradition goal of getting information to the still suffering addict; 3) We suggest each Fellowship exchange directories of meeting information to each other's central offices with an agreement that when contacted, we acknowledge the presence of a particular Fellowship in a particular location along with phone number of how to get more details; 4) We recommend that each Fellowship be encouraged to provide a brief statement to be used by other Fellowships in referral and information work. This statement should describe their Fellowship including their distinctive attributes; 5) We propose we continue the Interfellowship Forum (IF) annually, hosted in turn by each "S" Fellowship year to year; 6) We recommend each "S" Fellowship provide a self-descriptive statement of the literature/merchandise they sell to the other "S" Fellowships who, at their discretion may distribute this information to their members along with contact information.

Our common welfare should come first; personal recovery depends upon SLAA unity. 2. For our group purpose, there is but one ultimate authority - a loving God as this Power may be expressed through our group conscience. Our leaders are but trusted servants; they do not govern. 3. The only requirement for SLAA membership is a desire to stop living out a pattern of sex and love addiction. Any two or more persons gathered together for mutual aid in recovering from sex and love addiction may call themselves an SLAA group, provided that as a group they have no other affiliation. 4. Each group should be autonomous except in matters affecting other groups or SLAA as a whole. 5. Each group has but one primary purpose - to carry its message to the sex and love addict who still suffers. 6. An SLAA group or SLAA as a whole ought never endorse, finance, or lend the SLAA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose. 7. Every SLAA group ought to be fully self-supporting, declining outside contributions. 8. SLAA should remain forever nonprofessional, but our service centers may employ special workers. 9. SLAA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve. 10. SLAA has no opinion on outside issues; hence the SLAA name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, TV, film, and other public media. We need guard with special care the anonymity of all fellow SLAA members. 12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

2002	2004	02-02	W	Have two versions of the <i>Basic Text</i> . One anonymous – one not. 2004	2004	04-06	F	If the Board of Trustees decides not to implement a motion passed by a simple majority vote of the Conference and deemed to be group conscience by a simple majority vote of the Conference, then the Board of Trustees must communicate the grave legal, financial, or Traditions-based reasons for overriding the group conscience of the Conference to the Conference within thirty days of the decision, but in no case later than 195 days prior to the next scheduled ABC/M. When giving Traditions-based reasons for overriding the group conscience of the Conference, the Board of Trustees must identify the specific Tradition that would be violated by implementing the group conscience of the Conference and how that Tradition would be violated.
