

Anonymity, Recording Consent, and Non-Disclosure Agreement For the 2025 Annual Business Conference/Meeting

August 7 to 10, 2025

The work of the Conference occurs all year long, not only at the Annual Business Meeting (ABC/M). During the year, the full Conference (Delegates, Board of Trustees members, *the Journal* editor, F.W.S. office staff) and other members of Conference Committees will need to communicate with each other.

As a member of the Conference, please understand that phone numbers and email addresses are distributed to Conference members on a roster called the **2025 ABC/M Participants List**.

A recording of the proceedings of the ABC/M is made by the ABC/M tech team (via the Board Technology Committee) for use by those responsible for producing the ABC/M Minutes. The recording is not posted on any website nor distributed to the Conference or the public. By attending the ABC/M, you acknowledge awareness of such recordings and consent to such for the sole purposes described above.

By filling out the information below:

1. You permit your name, phone number, and email address as provided on your registration form to be used by other Conference or Conference Committee members signing this anonymity agreement.
2. You permit your name, phone number and email address to be used by the F.W.S. Office to send information, materials, and notices during the 2025-2026 Conference Year.
3. You agree to protect the anonymity of all Conference members and all volunteers who are not delegates and observers (such as tech personnel, office staff, and recordkeeper) by not disclosing the telephone number and email address of any Conference or Conference Committee member whose name appears on the Participants List.
4. You also agree that the Participants List is only for use in S.L.A.A. service and is not to be utilized for any other purpose.
5. You understand that you will be required to participate on camera using the Zoom video conferencing platform using a webcam and microphone on a computer, not a tablet or phone during the ABC/M.
