Executive Director's Report

Autumn greetings from the Alamo City...beautiful San Antonio, Texas! While the leaves have finally begun to fall here, we still have 20-degree temperature swings from one day to the next. Such unpredictable weather makes it hard to remember at times that winter (such as it is in South Texas!) is coming.

Since the last edition of the Newsletter, we have added a new format for some of our recovery literature! You may now purchase PDF versions of S.L.A.A. pamphlets from the web store and download them immediately. These have been a big hit with our members!

Speaking of literature, there is a new literature bundle available for sale on the S.L.A.A. website. The Newcomer Bundle is a selection of items (a Basic Text, two booklets, seven booklets, and a Welcome chip) designed specifically with the newcomer in mind. It is available for \$29.99 (with FREE SHIPPING), which is a nice discount as compared to purchasing the items individually.

The limited-edition hard-cover "A State of Grace" book is sold out! "Thank You" to everyone who added this special book to their bookshelf! The soft-cover edition is still available and would make a great holiday gift for your sponsor, sponsee, service buddy, newcomer, or recovery friend! Who wouldn't love the gift of 365 days of daily recovery-centered meditations?

As always, the F.W.S. Office extends to all our members around the world our very best wishes for a warm, healthy and safe holiday season. We look forward to continuing to serve you in 2022!

Respectfully,
Pam Martin
Executive Director

Board of Trustees Chair's Message

We welcome Juanita J. (VA), who was appointed to the Board of Trustees ("BOT") in November and now there is a full nine (9) member BOT.

The LifeSaver Program has raised over \$70,000 from member, group and intergroup contributions since it began back in April 2020, helping the Fellowship realize over \$140,000 in total revenue including the pledged matching funds. Seventh Tradition contributions were approximately equal to the amount of the revenue the Fellowship realized from the sale of literature and e-books in the 2021 fiscal year ending on September 30, 2021.

Due to the COVID pandemic's impact on the ABC/M there has been a temporary lull in the new literature that is being published by the Fellowship. Nevertheless, sales of recently available digital (PDF) pamphlets from the web store have helped get the message out to the addict who still suffers. Further, *Sober Dating Questions* package and *A State of Grace – Daily Meditations* are also now available on both Amazon and Apple.

Three (3) Intergroups submitted applications to host an in-person 2022 ABC/M. Two of those three applications remain under consideration, as well as possible other in-person options. The BOT has not yet determined whether the 2022 ABC/M will be virtual or in-person (or hybrid). A decision on the 2022 ABC/M by the BOT is expected soon.

Our reality and our world as we know it continue to evolve and change as many of us find it necessary to remain in our shelter-in-place mode and attend virtual meetings. We want to be able to attend in-person meetings but there still remain safety considerations so many of us remain less connected. Now more than ever we need to reach out to the addict who still suffers and find ways to reconnect with those who can help keep us sober and recover. Please stay safe.

Service feeds Sobriety,
Seth S.
BOT Chair

Board of Trustees Statement December 15, 2021

After many hours of discussion, which included a special meeting dedicated to both our 2022 Annual Business Conference/Meeting (ABC/M) and the future of how the ABC/M will be held, the Board of Trustees has come to a group conscience. We heard and appreciated the heartfelt feedback we received from the Fellowship's wide spectrum of opinions and viewpoints. We discussed at length the details of holding another virtual-only ABC/M, an in-person ABC/M, or a combination in-person/virtual integrated (hybrid) event for 2022.

Our final decision is that an in-person ABC/M in 2022 would provide the best opportunity for an inclusive, recovery-based group conscience, giving the Fellowship the safe and engaging spaces we have had in Annual Business Conference/Meetings of the past. While this year's ABC/M will not include an International Recovery Convention (IRC), we believe it is necessary for our fellowship to serve the addict who still suffers across this globe by coming together in-person to conduct our business. The 2022 ABC/M will be held in Sacramento, California, thereby honoring the original, two-year commitment made to Sacramento's Intergroup, which was interrupted by the COVID-19 pandemic.

As facts became separated from theories, this option became the most viable. We cannot list all factors, but it is important to share a few significant points that weighed heavily on our decision. In strongly considering virtual participation, it became clear that time and other constraints create formidable obstacles for a successful integrated/hybrid option at which all in-person and virtual participants can see and hear one another. Our current lack of sufficient volunteers willing to assist or serve on the Board Technology Committee (BTC), indicates we are not prepared to guarantee a successful hybrid event as early as 2022.

We are committed to hosting a fully integrated hybrid ABC/M in 2023 to gain as much participation from all who wish to attend, no matter where they are or how they are situated. We must successfully merge these two mediums (in-person and virtual) into an unprecedented format that will endure the test of time for years to come. To gracefully and effectively execute this, we will immediately begin strategizing and will use the 2022 in-person event to prepare

for 2023. We expect to outsource the complicated technical tasks to a third party that specializes in hybrid conference events and will work with our volunteers and Staff. However, for the time being, we must first restore faith in the in-person meeting format by utilizing the experienced planning resources we already have at our disposal and focusing those efforts towards holding a successful event while accommodating best health and safety practices in light of ongoing COVID-19 concerns and preparing for the hybrid future.

We heard some of you share the in-person format puts a financial burden on intergroups; therefore, we are committed to fostering inclusion at the 2022 ABC/M by applying additional financial resources to lowering the overall cost. Eliminating the Travel Equalization Fund (TEF) fee while increasing TEF funds from FWS is one possibility. We hope to receive budgeted amounts of contributions and merchandise orders to maximize the funds available to lower the costs of participation.

Attending an ABC/M requires an immense commitment from each delegate, and we recognize this isn't entirely quantifiable by finances. A delegate must pour time and energy into full participation during an ABC/M so the quality of group conscience can be upheld. For this reason, we understand not everyone is in a position to commit to being a delegate, whether virtual or in-person. We note that as in the past, we expect Conference Committees will encourage virtual participation in their meetings at the 2022 ABC/M through Zoom and conference calls.

Thank you for sharing your experiences; we were grateful to learn from them throughout our discussions. The world has changed considerably over the past few years, and we intend to change along with it. We ask for your patience and grace while we navigate uncharted territory and continue to commit to do what is best for the greater good.

Spiritual Reminder: All
Timekeeper:

The CLC has had an exciting year with many working groups which have produced quality literature. Several of them were on the ABM Agenda for discussion this year, and may become Motions for approval at next year's ABM. We are still waiting on the ABM minutes in order to make these motions. What follows is:

CLC Active Projects Spreadsheet:

<https://docs.google.com/spreadsheets/d/1rNjJ9PNSIk6feES1t9mSkv0sL6LWMjEcz7DARTSuveA/edit?usp=sharing>

Draft literature discussed at the ABM Conference received many favorable and constructive comments. These were recorded as well as captured by a note taker as well. Minutes of the ABM (discussions and outcome of the motions) will likely be available soon.

It has been wonderful to work with the various conference service committees, like the Anorexia Committee, the Conference Steps and Traditions Committee, the Journal, the Service Committee, the HOW folks in the UK, The Basic Text 50th Anniversary Committee and many others, who are working tirelessly to get quality literature to you. If you are interested in being a part of this exciting work, please contact us on our Committee Corner, at the bottom of the F.W.S. home page: slaafws.org (where all the Committees are listed, near the bottom of the page) look for more info there.

*Of note: the 50th Anniversary Edition of the Basic Text is looking for stories. Please see the flyer on the CLC committee page, and submit your story here as well: <https://slaafws.org/committee/clc/> - Please be sure to sign the disclaimer, along with your story (should be available on Committee corner and elsewhere soon). Thank you for your service to the CLC!

Lee W. continues to serve on the LCEP (Literature Creation Editing and Publishing) Workgroup, along with Jeff C. They are hammering out a new draft process for how literature is created and Published along with the Board of Trustees Publishing and Distribution Committee (BDPC).

Our one-and-a-half hour meetings are held on the **4th Saturday** of the month at 11:00 a.m. central, eleven months out of the year.

Conference Steps, Traditions, and Concepts Committee (CSTCC): Questions from the Fellowship

The CSTCC welcomes Questions from the Fellowship concerning the Twelve Steps, Twelve Traditions and Twelve Concepts. Our responses are individual, and neither binding nor authoritative. We do not speak for the whole of S.L.A.A.

Question from the Fellowship (Committee Reference #2021-3):

Does the committee have any guidance on a local intergroup listing a meeting that is a S.L.A.A./AA combo meeting? Would adding these meeting groups to our local meeting list be in any way a violation of our steps, traditions and concepts?

Response #1:

I wonder whether the fact that this is a cross-program meeting means that this meeting group is not fully in alignment with S.L.A.A. Tradition Three, especially with regard to its oft forgotten clause, "...provided that as a group they have no other affiliation".

Ultimately, the decision to list or not list a meeting group at the Intergroup level is a matter for the Intergroup to decide in group conscience. Alignment with the Twelve Traditions could certainly be used as a guiding factor in that decision -- regardless of whether there's more emphasis placed on alignment with Tradition Five (carrying the

message) or alignment with that latter portion of Tradition Three. When it comes to cross-program groups, these two Traditions can seem to be at odds.

As a means of avoiding the cross-program issue, a meeting group I'm involved with chose to clearly position itself as an S.L.A.A. group, but also be clear that we focus on a specific set of early life experiences that we believe contribute to our troubles with love and sexuality. Although there happens to be a separate Twelve Step fellowship that helps its members recover from such early life experiences, the group does not affiliate itself with that other fellowship. Many of the group's individual members identify as members of both S.L.A.A. and the other fellowship, but members of the group do not need to be members of the other fellowship, as certain kinds of illegal activities common to some sex and love addicts are an explicit disqualifier for membership in that other fellowship. So, if my group were to affiliate itself with the other fellowship as well as S.L.A.A. we would thereby be excluding some sex and love addicts from membership in the group. From my perspective, exclusions that arise as a result of an individual's failure to qualify for membership in all Twelve Step fellowships with which a cross-program group affiliates, would be an indicator that the group is not operating in alignment with the Third Tradition of S.L.A.A.

If the meeting group seeking a place on your intergroup's meeting list intends to exclude sex and love addicts who do not meet the requirement for AA membership, that lack of alignment with Tradition Three might be enough of a reason for your intergroup to decide to decline the request. Each group is fully autonomous and does not need membership within an intergroup in order to exist.

Response #2:

While each group is autonomous, that autonomy does not extend to matters affecting other S.L.A.A. Groups or S.L.A.A. as a whole (Tradition Four). With the transition to online meetings accessible by every sex and love addict in the world, every Group now has the ability to affect other Groups and S.L.A.A. as a whole in the way it chooses to carry the message (Tradition Five).

As per Tradition Four, it is a matter for each Intergroup whether to accept any new Group. I can share from my own experience that it is more productive to gently work with new Groups (and their members) to help them align with S.L.A.A.'s Steps, Traditions and Concepts.

Should this meeting be listed as a S.L.A.A. Group? That is a decision for the Intergroup to assess on the facts. Matters I suggest to consider in reaching an *informed* Group Conscience are:

1. Does the Group use sufficient S.L.A.A. literature to be properly characterized as a S.L.A.A. Group despite using *some* outside (AA) literature?
2. Does the Group read out the Conference approved Notice advising that they are using non-Conference Approved Literature (Concepts One and Two)? So, attendees are aware they are not using S.L.A.A. materials and can ask why.

3. Is the Group really a blend of two fellowships? If so, this new "hybrid fellowship" is an outside affiliation disintitling it to be a S.L.A.A. Meeting (Tradition Three). This is for the singularity of the S.L.A.A. Message in the interests of the fellowship as a whole (Tradition Four).
4. Does the Group endorse AA literature as being superior to equivalent S.L.A.A. literature? This affects S.L.A.A. as a whole contrary to Tradition Four and endorses an outside enterprise (AA) contrary to Tradition Six.

Response #3:

An S.L.A.A. meeting is an S.L.A.A. meeting if they say they are. And thus, should be listed by their Intergroup on the local meeting list. Deciding to list or not list a meeting is an act of government, not an act of service. Decisions such as this should be avoided. Let's not take ourselves too seriously. If a meeting asks to be listed, it should be listed.

Listing an S.L.A.A. meeting is consistent with the Steps, Traditions, and Concepts. Of course, someone will point out that a combo meeting is contrary to the guidance of Tradition Three: "provided that as a group they have no other affiliation."

A couple of thoughts:

1. The Intergroup does not govern. How can they then judge and exclude?
 2. If the meeting is truly operating contrary to the Traditions, the meeting will fail naturally. The Intergroup should not govern, but certainly can comment.
 3. The meeting in question is clearly a Twelve Step meeting and not affiliated with a religious or political organization. What are we afraid of?
 4. When the Traditions were first written there was only one Twelve Step fellowship. The intent of the Traditions was to avoid religious, political, or economic controversy. The intent was not to segregate those with different diseases. I suspect those of us who believe in the Twelve Steps as a framework for living can learn from each other no matter the nature of our disease or its outward symptoms.
- The guidance in Tradition Three needs to be understood in historical terms. It does not prohibit a meeting from determining how to conduct itself; it does not prevent a meeting from managing its affairs autonomously.

Response #4:

Tradition Five provides guidance for this situation. An S.L.A.A. group should have one primary purpose, to carry its' message to the sex and love addict who still suffers. By having a combination meeting with another program / addiction, the primary purpose could become confused. That, in turn, may limit the recovery of the members of that meeting.

However, Tradition Four states that each group is autonomous, unless it affects other groups or the fellowship as a whole. It seems unlikely that a combination meeting would affect any other groups or the program as a whole. So, the intergroup has the right to make the decision they believe is best.

I also have some experience with something very similar. I was a regular member of a combination AA / Alanon meeting for many years, and it was an important part of my recovery. The local intergroups of both programs would not list it on their websites or meeting schedules due to the conflict with Tradition Five. The meeting did very well (until the pandemic) and drew in new members by word of mouth. So, listing a meeting on an Intergroup website is not absolutely necessary for it to survive.

Response #5:

I do not believe that a double winner S.L.A.A./AA meeting could violate Tradition Four (matters affecting S.L.A.A. as a whole). I also believe that Tradition Three is applicable (only requirement is a desire to stop living out a pattern of sex and love addiction - provided they that as a group they have no other affiliation). It is impossible for S.L.A.A. to not have an affiliation to AA. It's mentioned in our preamble, for starters. The solution, which is the Twelve Steps, as they are stated are exactly the same in S.L.A.A. as in AA, except before the dash, and the last portion of Step Twelve. Step One, the primary area of difference is a statement of the problem up to the dash. The rest is the solution, which is why the wording is virtually unchanged.

Tradition Five is the strongest area of support for sharing this S.L.A.A./AA meeting. If the meeting is carrying the message to the sex and love addict who still suffers it deserves to be listed. There are plenty of meetings, that while open to all, they have a focus. This meeting is no different. We cannot presume that someone would regularly attend this meeting if they only carried the alcohol symptom. Nor is it anyone's business provided the meeting has been declared an open meeting by group conscious.

Response #6:

I would think that double winners meetings are members from both programs; therefore, I don't see violation of traditions. Moreover, we adopted traditions from AA anyway.

I found double winner meetings in more than one program that I am in are enriching each other. After all, Tradition Three states, "The only desire for membership is to stop living out a pattern of sex and love addiction. Any two or more persons gathered together for mutual aid in recovering from sex and love addiction may call themselves an S.L.A.A. group provided that as a group, they have no other affiliation".

And Tradition Four states, "Each group should be autonomous except in matters affecting other groups or S.L.A.A. as a whole".

Traditions are designed to apply in real life, I believe, and recovering S.L.A.A. members, who have AA as a part of their story have the right to carry the message to sex and love addicts, who are in AA as well, according to Tradition Five.

Response #7:

In one sense I think all addictions cause the same neuro-chemical (dopamine) response in the brain, so a double winner meeting makes sense. It is just our drug of choice that differs.

Tradition Four - Each meeting is autonomous so the meeting itself is free to make its own mistakes.

For Tradition Five It was unclear to me if this was a meeting of Sex & Love Addicts who are also Alcoholics or a meeting of people who are either Alcoholics, Sex and Love Addicts or both.

If it is for Sex & Love Addicts who are also Alcoholics, then I would say it is okay to list it as a S.L.A.A. meeting.

If the intergroup has a list of non-S.L.A.A. meetings and it is for S.L.A.A. and/or AA they could list it there or decline to list the meeting.

Special Edition of the Basic Text for our 50th Anniversary in 2026

To celebrate the 50th anniversary of S.L.A.A. in 2026, a special edition of our Basic Text, *Sex and Love Addicts Anonymous*, is being prepared. The 50th Anniversary Basic Text Subcommittee of the CLC (50BTS) meets monthly to work on this exciting project. Between meetings, two subcommittees (Stories Subcommittee and Style Committee) plus one working group (Timeline-Mandate Work Group) work diligently to support this project.

Four members of the 50BTS attended the 2021 ABM. Based on the discussion of our two IFDs and those of previous ABMs, along with the results of the survey, "To Change or Not to Change," we have determined that the fellowship would like the new version to be edited lightly. This light editing will consist of basic corrections for grammar, punctuation, and the like, along with some judicious edits for clarity.

In addition to the light editing, the special edition will include the following changes and additions to the current book:

- Hard cover
- Foreword to the special edition
- New personal stories that reflect modern addictive problems and the diverse nature of our membership
- Introductions to each personal story
- Glossary
- Index

Since this edition will differ significantly from the current one, and will incur publishing expense, we anticipate that the special edition, minus the hard cover, will become the second edition of the S.L.A.A. Basic Text. We anticipate that publishing expenses will be covered by presales, as were those of the daily meditation book, *A State of Grace*.

In order to encourage members to submit new personal stories for this 50th-anniversary edition of the S.L.A.A. Basic Text, a flier and release form have been developed. These will be available on the F.W.S. website soon. We hope you will submit your story.

The CLC chair has a plan to receive and catalogue new stories with the help of the F.W.S. webmaster. Any identifying information will be removed and a numeric code will be provided for identification purposes. Each anonymous numbered story will be sent to the Stories Subcommittee for review and rating using their previously constructed matrix. These evaluations will help us determine which stories to include based upon their content and quality.

Light editing of the first three chapters has been completed by the Style Subcommittee and feedback has been received from the 50BTS members. These three chapters along with a feedback form will be shared soon with others involved in service, including the 100-plus members of the CLC.

There will be at least one IFD on the first version of the 2022 ABM Agenda that will include the completed lightly edited chapters, so that everyone can let us know what they think. By gathering all this feedback, we hope to get the best possible version of the book that we can.

Finally, we also have determined that there is a strong desire on the part of our members to produce another book, *not* based upon the Basic Text, which will address the concerns of the 21st-century fellowship of S.L.A.A. A committee specific to that project has been formed. Look for more information about this exciting project in the future.

Help Others Reach Out to the Still Suffering Addict

SHARE YOUR INTERGROUP'S OUTREACH MATERIALS

The Conference Public Information Committee (CPIC) supports the fellowship as a whole to carry the message to suffering sex and love addicts.

Instead of every Intergroup “reinventing the wheel” with all-new materials, the CPIC exists to help Intergroups and Groups share materials.

If your Intergroup (or Group without an Intergroup) has used outreach materials successfully - especially using new technology - please consider sharing.

This includes digital:

- print files for letters, flyers, posters
- media items such as online news
- design files for outdoor signage
- audio and video recordings.

Items can be submitted at the CPIC page on the S.L.A.A. website:

<http://www.slaafws.org/committee/cpic>

In order to be shareable, the outreach materials must:

- be approved in Group Conscience for submission to the CPIC for sharing
- comply with the S.L.A.A. [12 Traditions](#) and [12 Media Guidelines](#)
- comply with the approved S.L.A.A. [Suggestions for Public Outreach](#)
- comply with the [CPIC Guidelines for Video](#)
- be only about S.L.A.A. informational topics and/or convey our message by the telling of our stories.

Necessary consents and releases are also required for the CPIC to share the content.

The CPIC works with Intergroups and Groups to ensure:

- all shared material complies with S.L.A.A.'s requirements as outreach or public information; and
- your service body is satisfied with the final format and how your material will be shared.
