

Board Chair Annual Report
July 24, 2012

This conference year has seen many changes, challenges, and successes in our Fellowship. The Board of Trustees (BOT) has had moderate turnover, but its membership has stayed committed and focused on continuing with the tasks at hand. The FWS office has had turnover as well, but continues to grow.

The BOT filed a complaint with the San Antonio, TX police department with regard to the former General Manager (see below for details).

Board Committees were given specific tasks at the beginning of the conference year, in addition to their respective duties, and each completed these tasks, some in the face of adversity. The further stabilization of the FWS office was also a main focus for the conference year and this was accomplished by the implementation of policies, procedures, and internal controls pertinent to the operation. Also, there were nine visits by Board members (see below for details).

Board Membership

Appointed Tom B. to the Board of Trustees effective October 14, 2011.

Accepted the resignation of Leon C. effective February 6, 2012, due to health reasons.

Appointed Rick B. to the Board of Trustees effective February 25, 2012.

Appointed Susan C. to the Board of Trustees effective June 18, 2012.

Accepted the resignation of Ayana P. effective July 19, 2012.

Former General Manager

- In November 2010, the Board terminated the employment of the General Manager (GM) for cause.
- The cause for termination of the GM was unsatisfactory performance after a warning. The repeated failure to send out important tax documentation in a timely manner as directed by the Board of Trustees was the most salient point.
- Following that action, the former GM applied for unemployment benefits. The State of Texas Unemployment Commission upheld the decision of discharge for cause and denied her claim for unemployment benefits.
- However, once the board visited the F.W.S. Office and reviewed the financial status, it became apparent that the former GM had overpaid herself and mismanaged the financial affairs of the office. It was then that a criminal complaint was filed with the San Antonio, TX Police Department in October 2011.
- The police report was filed as a matter of due diligence. The San Antonio police department has not yet reported any action on this matter and no further information is available at this time.
- Approximately one year of financial records were destroyed by the former GM. This action hindered the amount of information that could be provided (or included) in the police report and to the Fellowship at large.
- Since the termination of the GM, the Board has created and implemented checks and balances and internal controls. This includes:
 - Hiring a bookkeeper who does not handle the monies of the office
 - All mail is opened by two staff members
 - Any expenditure is reviewed by the three corporate officers and bookkeeper.
 - Detailed monthly reviews of the financial reports are made by the F.W.S. Office supervisor and then the BFOC. There are quarterly reviews by the BOT.
 - Publication of financial reports in the F.W.S. Newsletter (after approval by the BOT.)

- Recently approved a Whistleblower Policy that provides protection and a process for anyone in S.L.A.A. to report suspected wrongdoing.

Board Committees

Board Governance and Nominating Committee (BGNC)

The BGNC was given the task of increasing Board/Board committee membership by identifying and contacting members of the Fellowship to serve in this capacity. The committee was hampered by the change of chairs mid way through the conference year, but was able to achieve its goals. Unfortunately, the Board had two resignations this conference year.

Board Public Relations Committee (BPRC)

The BPRC was given the task of creating a process for professionally created literature on a fee basis. This project was completed and is awaiting discussion by the BOT.

Board Finance and Operating Committee (BFOC)

The BFOC was given the task of adequately staffing the FWS office. This task was completed twice as it had to be re-done after the first Office Coordinator resigned for another position.

Board members FWS Office Visits

There were several visits by Board members to the FWS office throughout the conference year for such activities as staff training, legal filings, staff evaluations and ABM preparations. Here is a list of visits made during this conference year:

Rita H., Office Supervisor

- August 7-17, 2011
- October 9-19, 2011
- November 13-23, 2011
- January 1-11, 2012
- June 10-23, 2012

Steve B., BFOC chair

- October 11-18, 2011
- April 30-May 4, 2012

Tom F., Board chair

- February 5-11, 2012
- June 18-22, 2012

I am honored and grateful to serve with the BOT and BOT committee members who serve this Fellowship so selflessly. The commitment, dedication, and patience that are exhibited are exemplary.

Respectfully submitted,

Tom F.

Staff Introductions

F.W.S. Bookkeeper

My name is Pamela Gaba. I reside in New Braunfels, Texas. I began working with the Augustine Fellowship in January 2011. When I started, it was at a time of creating and implementing new and improved processes and procedures for accurate and timely accounting practices. I am currently scheduled to work Mondays and Fridays of each week. My main daily responsibilities include: Importing new online orders into the accounting program, entering online donations, entering mail contributions and orders, entering the bills and payments, and reconciling to the bank statements each month. There are also various stats and reports that are done at the end of each month to provide the board and the committees with accurate standings.

I got the opportunity to attend the Annual Business Conference/Meeting (ABC/M) in July as a staff member. Hector and I set up the store and manned it during the hours of operation. I attended the finance presentation and the Auction, which was a lot of fun and very entertaining. I had the pleasure of meeting delegates and getting to visit with them during meals. The delegates made Hector and I feel much appreciated. I could see that a lot of work was done during the ABM between the board and the Conference committees to improving and adding resources available to members, groups, and Intergroups and to make S.L.A.A. run even more efficiently. I very much enjoy my work with the fellowship and the people that I work with and have great respect for the S.L.A.A. mission.

F.W.S. Office Coordinator

My name is Joy Sanchez and I reside in San Antonio, TX. I began working for The Augustine Fellowship in June 2012 as a temporary employee. I was able to meet and interview with Rita H. and Tom F. and learn about the organization. I was immediately interested in the position. My background is in Corporate Human Resources and this seemed like a very welcome change. Since beginning my employment, I have been able to read a lot of the S.L.A.A. literature and familiarize myself with all aspects of the organization, as well as interact with members, potential members, committee members, and board members.

Some of my duties within the F.W.S. Office include answering email and telephone inquiries regarding S.L.A.A., overseeing and assisting the Mailroom Associate with inventory, preparing, packaging, quality checking, and shipping ordered materials, as well as preparing reports on office activities for the Office Supervisor and Board Members. I am looking forward to taking on more responsibilities in the near future as well as getting to experience the Annual Business Meeting in San Antonio next year.

Board Governance and Nominating Committee(BGNC)

August 2012 Report

Greetings Fellow S.L.A.A. Members,

During the ABM this year in San Diego, the BOT elected me to be the Chair of the BGNC. Having served on this committee for the last 15 months, I am grateful that I have an opportunity to be of service in this capacity. In the previous Conference year, the BGNC was focused on searching for effective candidates for the Board, and then creating documents that will help with the election process in the future.

The BGNC is the committee of the Board of Trustees (BOT) that focuses on the internal policies and procedures of the BOT to guide and nurture the Board's long-term effectiveness. We handle items that are related to the governance of the Board and the Board Committees. The BGNC serves as the recruiting arm of the BOT.

At the start of this conference year, the BGNC is composed of myself, Tom F., BOT member (the Chair of the BOT always sits on this Committee) and, there are also two non-BOT members: Garry K. of Ohio and Jay G. of Pennsylvania.

This year the BGNC will be focused on helping the Board Committees find willing, helpful, and diligent members, especially to fill the three open BOT terms with effective candidates who have the skill-sets that the Board need. To add to this important activity, we will also be focusing on orientation (of both non-BOT members of Board committees and Trustees) plus retention.

So please remember, the BGNC is seeking the names of S.L.A.A. members who are qualified to serve as non-BOT members on one of the BOT's three Committees. A brief application will be readily supplied. We're also interested in qualified S.L.A.A. members who would be willing to serve on the BOT – an application for that is also available. If you know of anyone please contact the BGNC at <http://www.slaafws.org/contact/bgnc>.

In humble Service to the Fellowship,

Rick B.

# of the Motion/IFD	Motion or IFD	Result of the Vote	Pass/Fail
12n01/12-01	<p>Motion: Approve the ‘Anorexia 1-2-3: Working the Program and not the Problem” text as Conference approved literature (See Attachment 1)</p>	34-0-4	Passed
12n02/12-02	<p>Motion: To approve the language of the S.L.A.A. draft 12 Concepts and adopt them as the S.L.A.A. 12 Concepts. The attached document includes the draft 12 Concepts (See Attachment 2)</p>	36-0-2	Passed
12n03/12-03	<p>Item for Discussion: The Conference Public Relations Committee would like feedback from the fellowship on their list of Outreach Dos, which are actions that Intergroups and lone groups can do for Public outreach. (See Attachment 3)</p>	IFD	See minutes for summary of discussion
12n04/12-04	<p>Item for Discussion: The Conference Diversity Committee (CDC) would like Conference feedback regarding a proposed S.L.A.A. Statement of Diversity. Specifically the CDC is interested in hearing feedback regarding the language of the statement, as well as possible uses for such a statement.</p> <p style="text-align: center;">The S.L.A.A. Statement of Diversity</p> <p>Unity is the First Tradition of Sex and Love Addicts Anonymous, and there is unity in diversity. We have different beliefs, affiliations and backgrounds but we are one Fellowship.</p> <p>The S.L.A.A. Preamble states that we “find a common denominator in our obsessive/compulsive patterns.” This is a core principle of our program of recovery: We are better together than alone.</p> <p>Our shared recovery provides a safe, secure and supportive space for all ages, appearances, races and ethnicities, genders and gender expressions and identities, sexualities and sexual orientations, family structures, abilities or disabilities, cultures and national origins, political beliefs and ideologies, religious tenets and spiritual preferences. Your legal, marital, socioeconomic or employment status are not the focal concern of S.L.A.A. Love and tolerance are our watchwords.</p> <p>There opens up a great unknown when we face the truth of our lives through S.L.A.A. You might say the extent to which we do not fully know ourselves is the extent to which we cannot really know others. Please hold a place of awareness for the unknown, which is one aspect of our diversity. How might our actions, words and thoughts impact our own or another’s recovery? How can we be sensitive to others in S.L.A.A., or even develop compassion?</p> <p>We may come to surrender the subtle signs of intolerance specific to our program, such as harboring judgments about our own or another’s sexual behavior and sobriety, or voicing personal bias regarding what is or is not attractive. Every sex and love addict or anorexic deserves the right to sustained, self-defined recovery in a sportive environment.</p> <p>At the meeting level, we might keep diversity in our mind and use respectful language instead of language that is divisive or that</p>	IFD	See minutes for summary of discussion.

	<p>devalues any type of individual. We might set aside time in our meetings for newcomers to share.</p> <p>At the Fellowship-wide level, we can build bridges by considering the work we do from a world-wide perspective where foreign countries have different cultures, customs, laws and, languages, word meanings, even seasons. We support special accommodations to ensure global participation thereby fulfilling our Fifth Tradition in the utmost measure to reach the addicts and anorexics who still suffer.</p> <p>Together we affirm S.L.A.A. diversity as a source of daily strength that invites ever-greater outreach, perspective, healing, relatedness and unity.</p>		
<p>12n05/12-05</p>	<p>Motion: The CDC asks the Conference to approve a revision of the 2nd sentence in the 4th paragraph in <i>The S.L.A.A. Preamble</i>.</p> <p><u>Current sentence:</u> "We find a common denominator in our obsessive/compulsive patters which renders any personal differences of sexual or gender orientation irrelevant."</p> <p><u>Proposed revision:</u> with friendly amendment "We find a common denominator in our obsessive/compulsive patterns, which transcends respecting any personal differences of sexual orientation and gender identity."</p>	<p>31-2-6</p>	<p>Passed as amended</p>
<p>12n06/12-06</p>	<p>Item For Discussion: At the 2008 Annual Business Conference and Meeting (ABC/M) of <i>Sex and Love Addicts Anonymous</i>, the Conference unanimously approved the following motion:</p> <p><i>(Item 08n11) The hiring of professional writers and/or editors on a fee basis, to ensure prompt efficient handling of writing and editorial responsibilities for S.L.A.A. literature projects, is in accordance with the principles of S.L.A.A. and the group conscience of S.L.A.A. Fellowship. (Sponsored by the BOT)</i></p> <p>With this motion in place, the Board of Trustees realized the need to construct a process by which such literature would be requested by the Conference, writers and editors hired and the project completed. This attached proposal, initially drafted by the Writing Process Work Group within the Professional Literature Creation Task Force OF THE Board of Trustees in January of 2010 and further revised by the Board Public Relations Committee in May of 2012, outlines this very process.</p> <p>This proposal is inspired by the awareness that there are some large scale S.L.A.A. literature projects that, when staffed exclusively with volunteers, fall prey to incompleteness – simply because the time demands that the manuscript development and refinement requires (years in some cases) is unsustainable for volunteers over time. Both the original Professional Literature Creation Task Force and the Board Public Relations Committee have sought to allow of participation of the Conference, the Conference Literature Committee, volunteer writers and the Board of Trustees in this process that calls upon the service of fee based writers and/or editors. Lastly, any existing or future literature project may still alternatively, use the existing Conference Literature Committee Flowchart Process as a viable means of creating S.L.A.A. literature (See Attachment 4)</p>	<p>IFD</p>	<p>See minutes for summary of discussion</p>

12n07/12-07	Item for Discussion: The Board Public Relations Committee (BPRC) would like the Conference to discuss whether S.L.A.A. shall continue to participate in or possibly host an upcoming Inter-Fellowship Forum (IFF).	IFD	See minutes for summary of discussion
12n08/12-08	Item for Discussion: Before submitting a bid to host the FWS ABM in the UK in the Autumn of 2014, we want to gauge and discuss the genuine level of interest and potential constraints that delegates envision with holding the ABM in the UK	IFD	See minutes for summary of discussion

CONFERENCE CONCEPTS ADAPTATION COMMITTEE

After several years of discussion, the CCAC is happy to announce that we completed our initial task of adapting The Twelve Concepts for World Service to fit S.L.A.A. These were presented to the 2012 ABM in the form of a motion and approved by a great majority of the delegates in attendance.

Although there are reviews from the BOT, the attorneys, and Alcoholics Anonymous still to be made, these are now available for the use of S.L.A.A. We encourage all local groups and Intergrups to begin to use these and apply these principles for effective service leadership in their meetings.

Although we have completed our initial task, we will remain an active committee for the foreseeable future to see if there need to be minor modifications and adjustments made.

We are grateful for the support and encouragement which were received from the Fellowship. We are enclosing a copy of the Concepts in this issue of the FWS Newsletter.

In Service,

Garry K, CCAC Chair

S.L.A.A. 12 CONCEPTS FOR WORLD SERVICE

©2012, The Augustine Fellowship Sex and Love Addicts Anonymous Fellowship-Wide Services, Inc.

1. Ultimate responsibility and authority for S.L.A.A. world services always reside in the collective conscience of our whole Fellowship.
2. The Annual Business Conference, by delegation, is the voice and conscience for our world services and of S.L.A.A. as a whole.
3. To insure effective leadership, each element of S.L.A.A. - the Conference, the Board of Trustees, staff, and committees - all possess the "Right of Decision."
4. The "Right of Participation" is maintained by allowing members the opportunity to cast one vote up to the level at which they are trusted servants.
5. The "Right of Appeal" prevails so that minority opinion is heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the Board of Trustees.
7. The Articles of Incorporation and the By-Laws of the Fellowship are legal instruments, empowering the trustees to manage and conduct world service affairs. Although the Conference Charter is a legal document; it also relies on tradition and the power of the S.L.A.A. purse for final effectiveness.
8. The trustees are the principle planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, including their ability to hire staff.
9. Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The primary world service leadership must be assumed by the Board of Trustees.
10. Every service responsibility is matched by equal service authority – the scope of this authority is always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and by-laws
11. The trustees need the best possible committees, staff, and consultants. Composition, qualifications, induction procedures, systems of rotation, and rights and duties are always matters of serious concern.
12. The Conference observes the spirit of S.L.A.A. Tradition,
 1. taking care that it never becomes the seat of perilous wealth or power;
 2. that sufficient operating funds and reserve be its prudent financial principle;
 3. that it place none of its members in a position of unqualified authority over others;
 4. that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity;
 5. that its actions never be personally punitive nor an incitement to public controversy;
 6. that it never perform acts of government, and that, like the Fellowship it serves, it will always remain democratic in thought and action.

Service Opportunity from the Conference Interfellowship Committee (CIFC)

The Conference Interfellowship Committee (CIC), our vehicle to interact and share information with other 12-Step groups, has been recently reactivated. Through the CIFC, S.L.A.A. participates in the Interfellowship Forum, the forum of "S" and "Co-S" fellowships that manages the "S'recovery" web site. There may be additional opportunities to serve our members by way of interaction with other 12-Step fellowships. The CIFC seeks members of our fellowship to serve as committee members. Contact the CIFC through the "Connect with Conference Committees" link under "Group and Member Resources" at the S.L.A.A. home page.

CONFERENCE PRISON OUTREACH COMMITTEE

The CPOC continues to provide support and recovery to the sex and love addicts who are within the prison systems. This is done through the pen pal program and providing literature that includes a copy of the Basic Text to those who request it. We do, from time to time, provide literature for Prison Chaplains to use as they work with those with sexual addictions.

At the 2012 ABM, we added several new members who are all active in the pen pal program. Among the new members were women who will be involved with a subcommittee which will provide information to those women who are incarcerated know about S.L.A.A. recovery. We are excited about this new opportunity because the female inmate population has been underserved for many years.

We continue our work on the Simple English version of the Twelve Steps and are nearing completion of the draft which will be forwarded to the CLC to go through their process.

We are also happy to announce that there is now an inmate-run meeting at the State Prison in Camp Hill, PA. This is the first of these meetings to be established by inmates in many years and they currently have 6 or 7 men who attend their weekly meetings. They would be happy to have some members from the eastern area of Pennsylvania to write them and provide outside support. We have received some additional requests for Starter Kits from other prisons, so we are looking forward to this becoming more common.

Although we do not currently have a waiting list for pen pals, we could still use additional volunteers to help with this work due to the attrition within our volunteers.

If there are members of your local groups who are awaiting incarceration, please encourage them to contact the FWS office to receive support from the CPOC.

We are excited about the future and the continuing efforts in carrying the message to the sex and love addict who still suffers.

In Service,

Garry K, CPOC Chair

FWS Newsletter Submission Format

It is very exciting to see how many of you are interested in submitting articles and reports to the FWS Newsletter. It is even more exciting to know the number of readers continues to grow. In order to maintain the integrity of the FWS Newsletter, I would like to encourage you to read and use the following guidelines when submitting articles and reports to the FWS Newsletter.

- ❖ Please use the email address created specifically for submissions to the FWS Newsletter, <http://slaafws.org/fwsnews-submit>
- ❖ Please make submissions in a .doc or .docx file, with the exception of flyers created for specific events or requests. Doing so helps the editor to make changes (usually for increased readability and continuity of print, minor grammatical errors) to the document.
- ❖ Please remember to maintain anonymity. Use First Name and Last Initial.
- ❖ Please follow the motion passed to place periods between the initials in our abridged name in any written material that is made public. It should look as such: S.L.A.A.
- ❖ Please submit your articles and reports in a timely fashion. In each edition of the FWS Newsletter, the deadlines are published.
- ❖ Please remember that the FWS Newsletter is not a recovery-oriented publication. It is not to be confused with the *Journal*, which publishes articles of recovery. All submissions must have the mission of the FWS Newsletter at its center, which is to publish items related to S.L.A.A. business, committee, office, and BOT news, and to share this information as widely as possible in order to keep all members, near and far, up-to-date with the business happenings of the Fellowship.
- ❖ The deadlines are:
 - November 11, 2012
 - February 10, 2013
 - May 12, 2013
