

## ANNUAL INTERGROUP REGISTRATION PRINT FORM

Intergroups are the vital link between groups and the Fellowship as a whole. Intergroups provide many services for the groups they represent including creating meeting lists and newsletters, running conventions and workshops, and coordinating fundraising events. Additionally, they have the responsibility of determining the delegates who represent their area at the F.W.S. Annual Business Conference (ABC).

When you register your Intergroup, you are assigned a Registration ID number. This number helps the F.W.S. Office serve you more efficiently when you contact the Office, make a contribution, or register a delegate for the ABC. When you submit your registration, it will be reviewed and upon acceptance you will receive a copy of this form containing your new Registration ID.

Refer to <https://www.slaafws.org/members> under Guidelines for important guidelines and policies.

### PUBLIC INTERGROUP INFORMATION

Do Not Post on Website

The information in this section is posted on the F.W.S. website unless you check the box above.
