

# Carry the Message....

Join the Conference Hospitals and Institutions Committee!

"We had sought full partnership with God, and knowledge of God's purpose for us. By seeking to live with honesty and integrity, and to be of service to others, we had discovered that the source of love, which was of God, had begun to flow from within us.

***We had lived our way into Step 12."***

--SLAA Basic Text

The Conference Hospitals and Institutions Committee seeks SLAA members to help develop new ways of reaching members who are incarcerated, in treatment centers, or otherwise confined and unable to attend regular meetings.

We hold phone meetings once a month on the first Saturday of the month, at 9 am PST/10 am MT/11am CST/noon ET.

For information about the committee and to receive the phone number for the call, please email the CHIC chair at [chicslaa@gmail.com](mailto:chicslaa@gmail.com).

#### Mission Statement

The Conference Hospitals and Institutions Committee (CHIC) strives to carry the message of hope and recovery to sex and love addicts who are incarcerated, in treatment centers for substance abuse, residing in halfway houses, or those who are otherwise confined and cannot attend regular meetings. CHIC develops Pen Pal and other outreach programs that can be further developed at the local Intergroup level.
